

No Thing Can Hide!

A simple thought, a dimensional dream,
A lively chat, strong self esteem.
A quiet walk along wooded trails,
Til of one's knowings, one finally avails.

The trees, they speak, wisdom they share.
Can you listen? Do you dare?
The voices loud, the words are clear,
But are you ready for truth to hear?

Our hearts are strong, and sing their song,
Our minds they grumble on and on.
The vibrant gifts of knowledge come forth
Through our hearts, then soon we laugh!

We laugh out loud, we see what's true.
What is real, and when we were the fool!
Eyes and ears open and wide,
Soon all's revealed – no thing can hide!!
